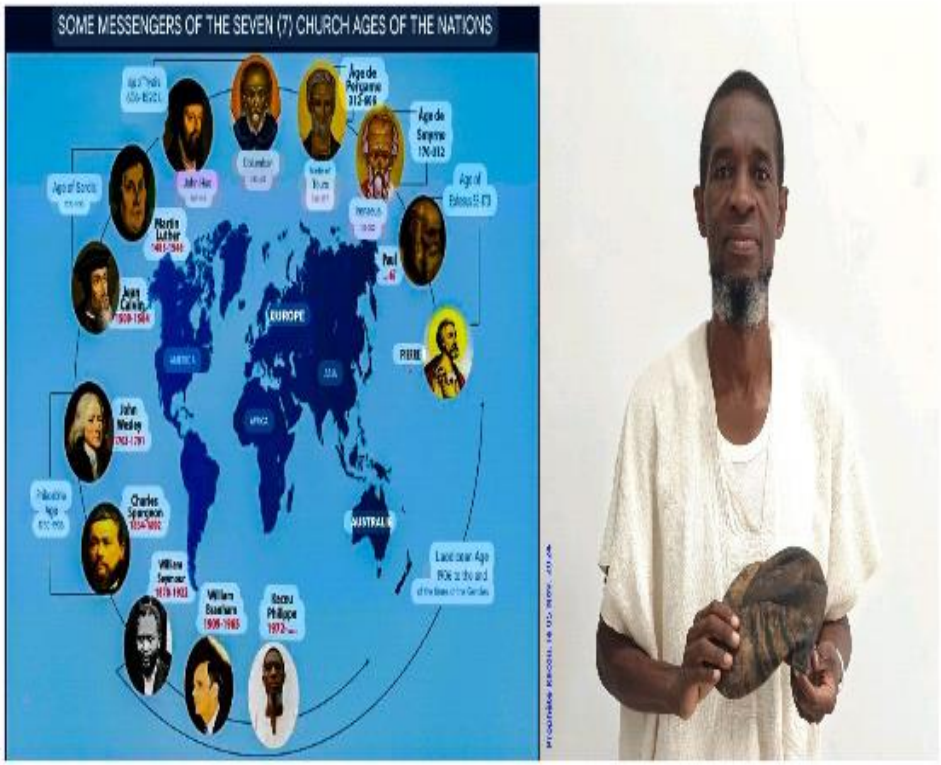
Kacou 75 (Kc.75) : We have seen His Star !



Prophet Kacou Philippe

Messenger of Matthew 25:6 and Revelation 12:14

Who is Prophet Kacou Philippe?

★ Biography

Youth

Kacou Philippe was born in December 1972 in Katadji, in the department of Sikensi (Ivory Coast). He is the son of an illiterate farmer. After primary school, Kacou Philippe was only able to do the first four grades of secondary education. From 1992 to 2002, he spent most of his time as a worker on construction sites.

First steps in Christianity

Everything starts with a vision that he has on April 24, 1993. First, he goes to a catholic priest to inquire about the meaning of the vision. Then, he goes to the Baptists with whom he spends three months and after that, he comes across the movement of William Branham, an American evangelist. He remains with the movement as a mere church member from 1993 to 2002.

The beginning of the ministry

Kacou Philippe starts open-air preaching in July 2002, after a second visitation of the angel that he saw in 1993. He claims to be the prophet messenger of the midnight cry, according to Matthew 25:6. For Prophet Kacou Philippe, all the churches are serving the devil in the name of Jesus Christ. He relates several times another vision that he had in 1993, and in which he says he saw church leaders with strange appearances:

“Their bodies were human bodies, but their heads were heads of different animals”. The first debates and confrontations then start.

Kacou Philippe preaches several mysteries, such as: “If God destroyed all evil with the Flood at the time of Noah, then how did evil come again on the earth after the Flood?” And this sermon has been published entirely by a Cameroonian newspaper. Kacou Philippe states that his words have the same value as the words of the prophets of the bible.

★Thoughts

The baptism according to Kacou Philippe

For Kacou Philippe, the Church starts with John the Baptist, and it was the baptism of repentance. Then the baptism of remission of sins with the apostles, then the baptism of justification by faith with Martin Luther; then the baptism of the renaissance of the Church after the first Roman persecutions; then the baptism of adoption; then the baptism of sanctification with John Wesley; then the baptism of regeneration with Pentecostalism; the baptism of restoration with William Branham and now the baptism of restitution with Prophet Kacou Philippe. And he asserts that apart from this, any other baptism is fake, even if it is done in the name of Jesus Christ or in the name of the Father, the Son and the Holy Spirit by immersion.

Kacou Philippe and Christianity

Kacou Philippe considers the Bible as the rear-view mirror of a car or a book of history. For him, the Bible is a vestige of the Judeo-Christian prehistory and can in no way give eternal Life. He burns all the Bible versions that he considers dangerous for the faith, such as Tob, King

James, Thompson, Scofield and Louis Segond. He redefines what the Word of God is, establishing the difference between the Word of God (revealed truths) and theology (knowledge acquired through intelligence). He redefines the divinity of Jesus Christ, the confession of sins which must be public, woman's place in the Church, water baptism, the Holy Spirit, the prophet, the Bible, the relation between Church and State and many other aspects of Christianity. On this, he refused to respond to a summons from the General information police of Ivory Coast. He redefines the whole of Christianity in a book called The Book of Prophet Kacou Philippe, published in three volumes by Édilivre in France… See Newspaper: Le Jour Plus N°3399 of April 15, 2016 and the newspaper Le Sursaut N. of April 15, 2016.

In March 2008, Kacou Philippe gathers all the religious leaders of his country, journalists and the civil society for a conference on Christianity, in which he judges the church. A newspaper portrays him as the maestro of the Word of God. After that conference, a newspaper read in its headlines, "A prophet unveils men of God". Like William Branham, Kacou Philippe mentions a supernatural presence which he attributes to the angel of April 24, 1993.

In 2008, the sermons of Prophet Kacou Philippe starts to be translated into other languages. Newspapers publish his sermons entirely, even outside Ivory Coast. A Cameroonian newspaper puts on its headlines: Kacou Philippe, A prophet reforming Christianity. On the media like Africa Number 1, debates start. Some people answer back indirectly, while others do so overtly and violently. Some other people go further, taking the doctrines of Kacou Philippe one by one to better neutralize them.

On May 13, 2016, Prophet Kacou Philippe is arrested at his home by the Ivorian authorities for defiance of the State authority, incitement to religious hatred and religious radicalism. He spends four days and four nights sitting on a chair on the premises of the general information police of Ivory Coast. Then, he spends two days and two nights in the basement of the police headquarters of Abidjan and three months at the biggest prison of Abidjan, before getting back his freedom on the night of August 16, 2016, being deprived of all civil rights, forbidden to preach the Gospel for a period of five years. The Togolese and Cameroonian press called the trial ambiguous. Later, some Ivorian religious leaders admitted to being behind his arrest and imprisonment.

MINISTERIAL DISPENSATION THE DIFFERENT PHASES OF THE MINISTRY

For Kacou Philippe, his prophetic ministry has two main phases or identities. The first phase, which he considered an inheritance from his father, William Marrion Branham, is the fulfillment of Matthew 25:6 and encompasses all the revelations contained in chapters 1 to chapter 154 of his book called *The Book of Prophet Kacou Philippe*. The second phase, which is prophetism, dreams, and visions, is the collection of revelations from chapters 155 to chapter 162 of his book. And from chapter 163, and an undetermined number of chapters for the time being, comprises the whole of the testimonies of healing and miracles confirming his ministry through various healing services in several countries around the world, up until the fulfillment of the vision of the big stadium he had in 1993.

Prophetism according Kacou Philippe

According to Kacou Philippe, dreams and visions are the sacred language between gods and humans, including the Supreme God. He compares dreams and visions to traffic laws and road signs on humanity's journey toward God; therefore, ignoring a dream or vision is to mock God. Thus, according to him, this is a subject that should be addressed in all churches and religions worldwide to demonstrate the importance of dreams and visions to the faithful. However, the interpretation of dreams and visions should be approached with great wisdom and caution by any religious leader, for it is by a gift from God that it should be done.

Kacou Philippe’s Healing Services

On June 5, 2022, Kacou Philippe had a vision in which an angel gave him a blue notebook and instructed him to go to South Africa. At the appointed time, he understood that the blue notebook was a passport and that after more than 20 years of ministry without leaving Ivory Coast, God was now commanding him to undertake missionary trips and he was to go first to South Africa to retrieve the gift of healing left by William Branham. Through several dreams and visions, he understood that he should organize healing and miracle services free of charge. An angel instructed him in 2021 never to accept money or gifts in kind from anyone, for any reason whatsoever, during his healing services. He begins his first healing services in South Africa in March 2025 in several cities, including Johannesburg, Pretoria, Middelburg, and Zebediela, and in April 2025 in Zimbabwe, after experiencing some minor difficulties obtaining a visa. Healing services in Zimbabwe took place in the cities of Harare and Bulawayo from April 16 to 21, 2025. Several sick people — blind, paralysed, lame, HIV patients, and deaf —

were healed instantly or days later, according to several testimonies. Numerous South African, Zimbabwean, Ivorian, Beninese, Cameroonian, and Central African press outlets, as well as major newspapers such as the Herald and the Chronicle, reported on Prophet Kacou Philippe's trips to South Africa and Zimbabwe. According to Kacou Philippe, his missionary trip to South Africa and then Zimbabwe, as well as his miracles, are identical to those of William Branham in his time in 1951. This similarity of miracles could be verified by reading or listening to chapters 163 and 164 of the book of Prophet Kacou Philippe and the book of official testimonies, William Branham, a Prophet Visits South Africa by Julius Stadsklev. This similarity would lead to the conclusion that the angel of the Ohio River is the same angel who is with Prophet Kacou Philippe. After Zimbabwe, Kacou Philippe was scheduled to visit Gabon in June 2025, but the Gabonese state refused him a visa because of religious leaders who are hostile to the free healing services of Prophet Kacou Philippe for various reasons, but especially because of the entirely free nature of Prophet Kacou Philippe's healing services, in strict obedience to the instruction of an angel in a vision in 2021. This led to the cancellation of his program in Gabon and programs in other countries such as Benin, Togo, Cameroon, Congo Brazzaville and Congo Kinshasa.

Important information before reading

The Message of Prophet Kacou Philippe has more than 100 chapters, and this is only one of them.

The Message of Matthew 25:6 - Integral text
KACOU 75 (KC.75):WE HAVE SEEN HIS STAR !

(Preached on Sunday morning, June 1, 2008 in Adjamé then in Anyama, near Abidjan - Ivory Coast)

1 Brethren, know that the original Christianity cannot be but a return to Eden, where man fell in order to lift him up forever! In the Beginning, it was not polygamy! God took only one rib from Adam and with that rib, he formed only one woman and when the serpent dishonoured her, God did not dare to replace her or to form another one for Adam! But polygamy is mentioned in Genesis 4 as one of the acts that the sons of the devil did on earth.
2 Look at those pairs of doves, those pairs of animals, all nature teaches that polygamy has never been an original institution of God! It is a great-grandson of Cain who did that! [Ed: The congregation says, "Amen!"]. You can come here with two or three wives but as soon as you have known this Message and you have received your baptism, you can no longer take two wives. And if a Brother does that, it can never be accepted in this Message even in ten or twenty years.
3 And I said that after seven months of conjugal life, if a man sleeps more than three times in the week with his wife, he must confess! You see?
4 Well! I come to my subject: We have seen his star... For that purpose, I am going to read in Matthew 2:1 to 2... "Now Jesus having been born in Bethlehem of Judaea, in the days of Herod the king, behold magi from the east arrived at Jerusalem, saying where is the king of the Jews that has been born? For we have seen his star in the east, and have come to do Him homage".
5 Well. The God of Israel had really used Korah, Dathan and Abiram in the desert but their error, it was to go against Moses and to think that they could be equal to Moses. Yet, to be equal to Moses and make God accept that, that is what should not be tried. And that, a prophet named Balaam had not understood it! The God of Israel really used to speak to him and he thought that he was the prophet messenger of his time but as Moses approached, when he saw Moses, he had to give way and keep quiet like John the Baptist! But he did not understand that and influenced by money and by his popularity and past reputation, he went against Moses!
6 And it was that Balaam who prophesied that a star would come out of Jacob! Balaam said in Numbers 24:17, "I shall see him, but not now; I shall behold him, but not nigh: There shall come a star out of Jacob, and a sceptre shall rise out of Israel, and he shall cut in pieces the corners of Moab, and destroy all the sons of tumult." And that was taught from generation to generation! You see?
7 When even Balaam took the wrong way, God's Word in his mouth was always the truth. And like Balaam, apart from the African horseman whom William Branham spoke about, how many Africans did not announce that the Almighty God would give one day a sign to Africa! But instead of waiting for that, they are already in Jerusalem with the chief priests. So how will they see this sign?
8 Now, observe this: when the magi saw the star, they let themselves led by this star as the Pillar of Fire had led the Jews in the desert. These magi only knew that Jerusalem was the holiest and the most spiritual place on earth and that the God of the Heavens had caused his name to dwell there!
9 Jerusalem was what was the most spiritual and holiest on the earth. More spiritual and holier than Vatican City! And it is in Jerusalem that the biggest biblical institutes should be looked for, and if God has to fulfill a work on earth, it could not be in a city other than Jerusalem, the city of David.
10 And when the magi saw that the constellation had taken the direction of Jerusalem ... at

first, they had followed the star very well but when they caught sight of Jerusalem, they said to themselves, "Glory to our God! Thank God, we have reached it!!!". They entered Jerusalem but the star did not get in! The star could not get in!
11 And once in Jerusalem, they realized that the star had disappeared, they said, "We have reached it, what remains to us is to find the maternity hospital!" But much to their surprise, time goes on and nothing. They do not understand anymore. And they began to ask everyone so much so that the piece of news reached the chief priests who in turn, informed King Herod while they were at the table with him. Three magi were in search of the King of Jews who would have been born under a heavenly sign!
12 The Bible says that Herod and all of Christianity, that is to say, Jerusalem were troubled by it! You see? Once, shepherds had told them of some singing of Angels and they said it was because of their pastoral school, because of their churches or it was then because of the message of a certain prophet who had just arrived in Jerusalem. But here, Magi came from the East and talked to them of a sign they had seen there. Once it was the shepherds and now they are the Magi. Herod and Jerusalem were troubled. You see?
13 Now, what happened? When the magi saw Jerusalem, they approached the chief priests to ask about it! They were so sure that they asked, "Where is the King of the Jews that has been born"? But all these Jews filled with the Holy Spirit and who remained in the Word of God knew nothing about it!
14 Also, when the shepherds reported the singing of the Angels to them, they knew nothing about it! The shepherds could say, "Is it not a supernatural work of God? We remember that when God created Adam, the Angels sang throughout the lands of Eden! Has a child not been born in this neighbouring country"? They said, "No, none! There is one but it is the son of an illiterate farmer who does not attend any church! The name of the farmer is Kacou Daniel and the name of his wife is Marie". You see?
15 Jerusalem went about its numerous worthless businesses! And having come to the streets, the magi wanted to make inquiries but people were so much in a hurry so they would not be late to work, to their trade, to the meeting of prayer or sessions of rehearsals of the choir! Exactly like their great-grandparents had done at the time of Noah.
16 When the priests heard that, they looked at the sky from one end to another and having seen nothing, they said, "You should simply say that you saw a star! It belongs to us the priests to indicate that it relates to the birth of the King of the Jews or not. In that, you have not been wise". Other priests said, "It's nothing particular, it is by emotion that you thought so. It is just a big star. And when you were walking, you got the impression that it moved. It is nothing!"
17 Then the magi realized that they had made a mistake by leaving the star. [Ed: The congregation says, "Amen!"]. The magi had nevertheless well started! Like Moses and Israel in the desert, the star was their absolute! When the star went fast, they went fast, when the star turned, they turned! When the star stopped, they stopped! It was their absolute! An absolute always alive! The absolute of the sons of God is always alive! When a man is dead, whatever his greatness, he cannot be the absolute of a living person! [Ed: The congregation says, "Amen!"].
18 When the Jews were getting out of Egypt, including the sons of the devil, they all said, "Our absolute is the prophet! It is Moses!" But God saw their heart. There was no Bible or scroll yet and they were obliged to say like the sons of God that their absolute was the prophet living amongst them! But God knew that, the same way some angels did not submit themselves to Him in Heaven because He is an Angel like them, the sons of the devil would

never submit themselves to a prophet living amongst them, because this prophet is a man like them!
19 When they said "Our absolute is Moses, the living prophet amongst us!" God knew in Heaven that it was a lie. The sons of the devil cannot accept a living person as an absolute. And then the angel of death rose but God said to him, "Leave them alone! At the appointed time, they will be separated". [Ed: The congregation says, "Amen!"].
20 The sons of the devil prefer a book as an absolute as their fathers always preferred fetishes, objects as an absolute. A son of the devil can have a piece of iron as an absolute, he can have an object as an absolute and in the same way, God knew that one day a book was going to be their absolute. They prefer dead prophets because of their zeal for spiritualism which is much seen here in Africa. That is why, as soon as Moses died, they said, "We are of Moses! Our absolute, it is the scroll of Moses," that is to say the five books of Moses. And this demon has been working on the earth until today! *[Kc.2v14]*
21 When Isaiah was speaking, they said, "Our absolute is the Bible. We do not believe in a man! We believe in the Bible!"When John the Baptist was speaking, they said, "Our absolute is the Bible. We don't believe in anything else!" And the sons of the devil who were there shouted, "AMEN!" And John the Baptist did not know what to say! Oh the prophets have so suffered! In the lifetime of a prophet, he establishes sons of God around him but when he is not there, they are the sons of the devil who seize the priesthood in order to corrupt any way of Salvation. You see?
22 When the magi had abandoned the star, they were now with the priests and the Pharisees and the Sadducees and those ones spent their time explaining to the magi how the passage of the Red Sea with Moses had been glorious and that Moses had done this, Moses had done that in Egypt. And that such prophet had done this, such prophet had done that. They were explaining history. They unfolded the scrolls, showed this, showed that. All that! Instead of asking the magi to speak to them about the living star and everything they saw over there.
23 For them, pagan magi did not have anything to teach them. And if God had to speak to the earth, it is through them the priests, the most spiritual on the earth. You see the pride which is repeated today? And instead of listening to these small men who found the star in this time that we are living, instead of saying to these small men, "Tell us about Prophet Kacou Philippe. Who is he? What new thing has he brought? How did this great vision of April 24, 1993 happen? We want to understand. We want to know". Instead of that, they tell stories: Jesus did this, such apostle did that, so on... They are sons of the devil. And it is history which is repeating itself. [Ed: The congregation says, "Amen!"].
24 But what these great rabbis could not do, a pagan had done it. You see? King Herod had done it but with an evil intention. He had asked the magi to tell him since when the star appeared and all these things. But the scribes and the Pharisees and all those did not know anything of it. You see? These great pastors, these reverends, these bishops had not had this idea because of their pride. And that is what is still happening today on the earth while God has brought back again the living star which moves for the Salvation of humanity. [Ed: The congregation says, "Amen!"].
25 Now, listen to this: It is true that the Bible says that the star would appear but if the magi took for absolute the same Bible which told them that a star would come out of Jacob, they would never find the goal that they were looking for! But their absolute, their guide and reference, it was the living star! They walked with the star, they spoke with the star and the star answered them and the presence and the atmosphere of the star were very good! [Ed:

The congregation says, "Amen!"].
26 The Bible is the testimony of the absolute because the prophet is the absolute that God has given to men! 2 Chronicles 20:20, Hosea 12:13 and Amos 3:7 do not say to trust a Bible or in a prophet who is already dead.
27 Now, notice this: the singing of the angels was heard outside of Jerusalem by shepherds who came to inform the chief priests! Also, the star appeared to magi instead of appearing to the priests! Why does God do that, to the point of putting shame on his servants, the priests? It is to say that the Word of God does not come to a priest.
28 And today, the apostles, the church prophets, the evangelists, teachers, pastors and all those you see, are the priesthood in the new Covenant. No matter how powerful an apostle, a church prophet, evangelist, teacher or pastor or reverend or bishop is, the Word of God cannot come to him. You see? Jesus Christ was the Word of God and when He came on the earth, He went towards John the Baptist who was a prophet. The priesthood must echo what the living prophet of their time says.
29 And today, if you are an apostle, church prophet, evangelist, teacher, bishop, pastor, and so on..., you can serve God only if you echo what Prophet Kacou Philippe says. [Ed: The congregation says, "Amen!"].
30 And it's the same today with the Catholic, Protestant, evangelical and Branhamist leaders for what God is doing here. And when it is like this, the chief priests are quick to reject that! And on April 24, 1993, the Angel of the Lord comes down! The Angel of God descends and came and spoke to a small pagan who never opened a Bible! But does it happen to God to change his way of doing? No, because He is the same yesterday, today and to the ages to come! [Ed: The congregation says, "Amen!"].
31 The singing of the angels goes to the poor small shepherds who do not know anything about God instead of going to the priests. The star goes to poor small magi who do not know anything about God instead of going to the priests. And on April 24, 1993, the Angel and the Lamb go to a small illiterate over there in the regions of Ivory Coast instead of going towards the Catholic, Protestant, evangelical and Branhamist chief priests. [Ed: The congregation says, "Amen!"].
32 Well. How many of you believe that the Word of God in my mouth, me, Prophet Kacou Philippe, is as infallible with the same value as those of Isaiah, Jeremiah and all the prophets of the Bible? Even if I had to say this and that I say that... and that now I come back and say this, have I failed? [Ed: The congregation says, "No!"]. The revelation is very hard but God gives it to those for whom it is destined.
33 Now! Why were the magi progressing? The magi were progressing because they had a living guide, a living absolute! And we want a living absolute because Amos 3:7 does not say that God does nothing without having first revealed his secret to the priests who are the ministries of Ephesians 4:11 today, but God does nothing without revealing his secrets to his servants the living prophets [Ed: The congregation says, "Amen!"].
34 If God wants to do something today, He will not go and reveal that to Martin Luther in his tomb in Germany over there, He will not go and reveal that to William Branham at the cemetery of Jeffersonville. But He will reveal it to Prophet Kacou Philippe living and walking amongst you. [Ed: The congregation says, "Amen!"]. And having no prophet to speak to the magi, God sends them not a Bible but a star! You see?
35 Even if there is no prophet on earth for five hundred years, God will never reveal his Word to a priest, apostle, church prophet, teacher, pastor or evangelist! [Ed: The congregation says, "Amen!"]. And when a prophet leaves the earth, it is the star that stopped and as long

as you stop there, you are in the perfect will of God and God is with you. When a prophet leaves the earth, stop there where he left you until you see another star coming out of Jacob! [Ed: The congregation says, "Amen!"].

36 How can the absolute of a man who is alive today be a dead man? How can the absolute of somebody who is alive today be the book of Isaiah who died 2800 years ago? The absolute of these magi was a star in motion! If tons of scrolls were given to the magi, they would not be able to take a single step forward and all their effort will only take them away from God! That is why, despite the scrolls that were there, God sent them a star, a living absolute! [Ed: The congregation says, "Amen!"].

37 When you want to make it without a prophet, you will read religious books of all kinds, you will fast a lot, you will pray a lot but each of all these things will only keep filling you with demons and moving you away from God and you will have ten times more dreams than a prophet! [Ed: The congregation says, "Amen!"].

38 To close, let us read verses 9 and 10 of Matthew chapter 2. I read it... "And they having heard the king went their way; and, the star, which they had seen in the east, went before them until it came and stood over the place where the little child was. And when they saw the star they rejoiced with exceeding great joy." [Ed: The congregation says, "Amen!"].

39 I like this last sentence, I like it! You see? The Bible says that they went their way and when they went out of Jerusalem, they saw the star again! The Bible says that when they saw again the star that they had seen in the East, they rejoiced with exceeding great joy. They no longer lost sight of the star until it came to stand over the place where the little child was. Amen!

40 When they left the priests, the churches, Jerusalem and all that, they saw the star and when they saw the star, they rejoiced with an exceeding great joy. You see? You cannot see the star inside this demonic Christianity, of these Catholic, Protestant, evangelical and Branhamist churches, inside these missions and ministries. You cannot see the star in this kingdom of Satan, but you must get out of there. [Ed: The congregation says, "Amen!"].

41 Brethren, always keep your eyes on the star and you will never get out of God's perfect will! Have all the scrolls of the prophets that you want and read them, but let your absolute always be the living star of your generation! If the star goes right, go right! If the star goes left, go left! If the star moves ahead, move ahead with it. But do not say, "But Isaiah says this, Paul said that!" No, move ahead with the star!

42 Like in the beginning with Moses, we were numerous to come out of the East but there are here the wise who follow the star and those who do not follow it! It is true that they got happy when they saw the little child but the Bible says that when they saw the star, they rejoiced with exceeding great joy! And I may imagine myself this great joy that they felt. And here is the joy that humanity would have felt if they did not confide in Catholic, Protestant, evangelical and Branhamist churches today. Here is the joy the Branhamists would have felt if they had not moved forward when the star stopped on December 24, 1965. And he that has wisdom to understand let him understand!
